Work History

**2006-Present
PA**

Master Teacher, Pennsylvania Virtual Charter School, Norristown,

Plan and execute trainings needed for the staff of PAVCS, prepare new staff members for positions at PAVCS, give resources and support for all staff members, plan, conduct and oversee teacher induction: including notes and formal reports to administrators, conduct monthly meetings for inductees, create a critical path for teachers with educational barriers, collect and develop resources for teachers to enhance instruction and ensure student achievement, serve on the Academic Leadership Team for all responsibilities needed for PAVCS, provide accurate information from the Pennsylvania Department of Education

needed for certification, provide opportunities for staff members to further develop their teaching skills, conduct an analysis of all teacher training sessions and provide written summary report to principals and CEO, work in conjunction with Principals and administrative staff to assist in committee work, assist with PSSA training in coordination with Master teacher of assessment, administer the Pennsylvania School System Assessment

2005-Present

Lead Teacher, Pennsylvania Virtual Charter School, Norristown, PA

Responsible for supervising six teachers in the Philadelphia area and maintained a class list of 25 students. Evaluated and guided the teachers in their daily routine. Helped to bridge the gap of communication between teachers and their families by maintaining the compliancy issues daily. Help team meeting once a week and supported team outings and Elluminate sessions. Develop a strong sense of team work in the Philadelphia area.

2003-2005

K-4 Teacher, Pennsylvania Virtual Charter School, Norristown, PA

Responsible for a class list of 58 students. Maintain open communication with parents and students, conference with parents and students on a bi-weekly basis, community service project, monthly outing, and advise families on any issue that will improve their daily lesson schedule. Complete administrative duties such as monthly reporting, professional development, and support other colleagues with innovative ideas.

2001-2003

Sixth Grade Teacher, Collegium Charter School, West Chester, PA

Responsible for teaching core subject areas to a class of twenty-two students. Maintain discipline and create energetic lesson plans to make learning enjoyable. Keep an open communication system with parent, colleagues, and administration. Assist students and parent when needed. Organize open communication within the classroom with the students to keep them involved in their classroom.

1999-2001

Permanent Substitute, West Chester Area School District, West Chester, PA

Responsible for daily tasks, classroom discipline, and maintaining a fun learning environment in the absence of the regular classroom teacher. Report to East Bradford Elementary School to offer my assistance to the teachers, specialist, and office staff.

1998-1999

Director of Education, Sylvan Learning Center, Wilmington, DE

Responsible for all administrative duties including a staff of fifteen teachers. Directly involved in administering diagnostic assessments, create programs to strengthen students needs in math, reading, and study skills. Maintain an active learning environment and implement positive reinforcement to entire staff and student body of one hundred and twenty students.
